## THURSDAY, JUNE 33, 1898

It looks as if the enthusiasm for the local Red Cross charity might stand a little warming up, when trates and sheriffs-the malodoran entertainment for the benefit ous and exhausting function of of the cause, and one of a very purveyors of the delecerious drug superior kind, cannot draw a full to its Asiatic devotees, as well as

It was Mayday when Admiral nationalities. Dewey hoisted the Stars and Stripes in the Philippines. It was the 24th of May-a day for- five and a half years ago ought to ever to be honored by British congratulate themselves for havpeople as the birthday of Victoria ing the consistency of their posied in Weihaiwei bay. The two action of the House. And the events chime well with the idea just then blooming of an alliance that, despite its more democratic between the two English-speaking nations. They indicate a continuance and expansion of the in- branch of the Legislature. The fluence of both in a quarter of incident is one of a kind that the world that such influence will ought to make for an enlargeinfinitely improve.

to be some little order of celebrat. A majority of the Senators, repre ing the dual American and Ha sentatives of the heavy stakes in waiian holiday on the Fourth the The looks of the omission are not the satisfactory. It may easily be ing element to which they deemed as approaching the con chiefly owed their honored posisummation so devoutly wished for tions. The House rescued that these many years with an air of trust. gloom if not hostile indifference. item of celebration on the Fourth. our safety? It would surely look single lecture \$1 and 75c.

strued into a public event.

### OPIUM BILL KILLED.

opium legalized, sided or otherwise by the efforts of its organ the Advertiser, the measure has received its quietus. In the House yesterday afternoon the report of the committee recommending to lay the bill on the table was adopted. This result will cause a feeling of relief to right thinking members of the community, more still to the officials who were condemued to a sort of penal servitude by the measure. They were to have added to already onerous duties -these district physiciaus, magisto the certain recruits to their ranks of many persons of other

The supporters and adherents of the new order of things begun when the Union Jack was hoist tion preserved intact by this House has reason to be proud in status, it has in this case proved itself to be the more conservative ment of the electoral franchise whether the country is to remain It will be too bad if there is not Hawaiian or become American. trust of the reform-

There is now no need to review There is no need of an expensive the arguments for and against the friends during their late bereavement. program. A great deal of popular policy of legalized opium that has diversion could be arranged for happily failed. One of the most without any joint fund The bus specious was that the measure iness houses might contribute an would prove invaluable as protecattractive list of prizes for field tion against free trade in opium and water sports without ever after annexation to the United making an entry in their books. States. The weakness of this plea It will be decid dly blue if the lies in the fact that nobody knows Declaration of Independence is anything about how far our old not read in public, when it can be laws may govern-how many and done under a tree in the open which of them may stand-under air as well as not. How many the provisional regime that will years would it be since the im- take place from the moment of mortal document was not read on annexation until a permanent the day in Honolulu? Yes, the scheme of local government Third expedition of boys in blue for the islands shall have may be here. Again they may been inaugurated. Neither does not. Almost probably not, for anybody know how such an there will be slower vessels in the opium law as that just become D! flotilla than in any of the former stillborn, purporting as it did to BURTON HOLMES LECTURES expeditions. Time enough, though, be quite a deal restrictive, would to talk about declaring anything stand as limiting a commerce legaoff for their presence when they lized by the laws of the United RedCrossSociety come. Then the news of annexa | States, or as limiting the Amerition passing the United States can constitutional right of any Senste may come before the day, person or class to buy and use So much the more reason for an article that any other person Friday, July 1:
"Grecian Journeys." having it to say that we had been or class bought and used. What going to whoop up some sort of a is certain, however, is that the celebration in anticipation of the powers of police regulation will trated in Color, and accompanied by event. It will be odd if the match after annexation be reposed in Pictures. of the glorious old British game some stated authority.
